

PANTAGES PLEDGE

I REFUSE to accept the City of Vancouver approval of “Sequel 138” condos at the Pantages site on the 100-block of East Hastings.

I DEMAND that the city buy the Pantages site and build 100% resident controlled social housing at welfare / old age pension rate for people who need it the most.

I PLEDGE to continue to fight for low-income communities in the Downtown Eastside by joining with hundreds of others in the community to stop “Sequel 138” condos. I pledge to:

LEARN and talk about gentrification in the Downtown Eastside

- ☐ **I PLEDGE** to come to public meetings to learn and talk about gentrification
- ☐ **I PLEDGE** to help organize meetings & discussions about gentrification in the building I live in and in my community spaces (i.e. church, health care centre, volunteer, work place)

ACT to stop construction of condos at Pantages

- ☐ **I PLEDGE** to join mass community actions to block construction crews from building Pantages condos
- ☐ **I PLEDGE** to organize against gentrification by joining the DTES Not for Developers Coalition, coming to planning meetings, and taking on coalition organizing work.

ACT to stop “Sequel 138” condo unit sales

- ☐ **I PLEDGE** to help put up posters and spread around leaflets and information
- ☐ **I PLEDGE** to be part of rallies and demonstrations outside of the Pantages condos sales centre (Tinseltown mall) to ask potential buyers to boycott DTES condos
- ☐ **I PLEDGE** to join non-violent civil disobedience actions to shut down the Pantages condos sales centre

Name (printed clearly)

**Phone or Building name &
room number (and email)**

Downtown Eastside Not for Developers Coalition
